Fulton Cty. 1893 Big Creek Township-1893 Record of voters. R. J. Ivey., Elder R. J. Ivie-Th e subject of this notice was born October 30, 1826 in Henry Co. VA and when he was four years old moved with his parents to Spencer Co. KY. They lived there two years and then moved to Williamson Co. TN, where he grew to manhood. In August, 1840, the Lord showed him what a great sinner he was in the sight of God. In 1848 he was married to Elizabeth Clark Owen and in the year 1850 moved to Calaway Co. KY. In July, 1852 he received a hope in Jesus. In 1858 he moved to Trigg Co. KY and in the spring of 1855 he went to Muddy Fork church and told the brethren and sisters what he hoped the Lord had done for him, was received by them, and was baptized the first Sunday in May by Elder Bowers. In 1861 he went into the war and his wife and children, seven in number, went back to Williamson Co. TN, to her fathers and stayed there during the war. In the spring of 1865 he went to them and in January, 1866 he went back to Calaway Co. KY. In the fall of 1874, he, with his whole family, which was his wife and eleven children, moved to AR. Where he with his wife joined Macedonia church by letter. In 1880 he preached his first sermon, and was ordained in the fall of 1885 by a presbytery composed of Elders J. F. Johnson, H. M. Brazeil, J. P. Rogers, Z. Wiseman and Deacon A. Thomason. He discharged his duty the best he could while he was able. His disease was cancer from which he suffered untold misery, but he bore it with Christian fortitude until the Lord called him home November 15, 1893. His wife and children did all that kind hands could do, as did this doctor, but the Lord called him and he had to go. He said he was willing to go, so dear mother and children, do not mourn for him as those who have no hope, for we all feel sure that father is in heaven and we are glad that most of his children have expressed a hope of meeting him some day with Jesus and all the bloodwashed host in heaven, their home. He leaves a companion, seven sons, four daughters, many grandchildren and a host of friends to mourn for him. His children were all with him but four when he departed and he told them not to weep but to rejoice that he was done suffering. (Obituary of Rueben Jackson Ivie written by Landers Sylvester Ivey.) R. J. Ivie served in Co. A, 45 Tennessee Inf. Temporarily consolidated with 23 Batt’n Tenn. Inf. about Nov. 1863 and 26 Tenn. Inf. in Jan. 1865. Became part of 4 Consol. Reg’t Tenn. Inf. about April 9, 1865 Private/Sergeant-Confederate. [ftw.owen.FTW]

My father never drank during my life, but a story my mother would tell about when they first got married. They were over at Clayton’s and Ollie was there. The three brothers were all drinking and having a good time. During the night they decided to take money and light their cigarettes with it. The next morning, Daddy realized he had took a twenty dollar bill to light his with, he decided if he could be that stupid while drinking, it was time to stop for good. My mother said my father idolized Dob, his brother. She also said if Dob had lived Daddy would have been just like him and she’d never have married him. Daddy never talked about any of his growing up. Except he did say his old home place was back behind Uncle Clayton’s house and they would go other there every once in awhile. It was too far to take the kids, so I never got to go.

769. FLORENCE ALMA14 HAZLEWOOD (EUNICE LEE13 IVIE, FRANKLIN NAPOLEON12, ELIZABETH CLARK11 OWEN,
This is a story told by John Arthur Price for his grandchildren and great grandchildren in December 1996.

I guess the best way to describe the depression would be to use my own family. We didn't really get hungry because we grewed most of the food we ate. If our neighbors got hungry we would divide with them. We had our own cows, so we had milk and butter. We grew chickens to eat and to sell and for eggs. We would shell corn that we grew and take it to Uncle Hardys Mill to make meal for corn bread. We had a big garden. Mother canned a lot of things. Mostly what we had to buy was flour, sugar and coffee. About this ti me the ration law came. Sugar, coffee, shortening, tires and gas was rationed. We were alloted stamps for each item. We got two many for coffee. Not enough for sugar. Our neighbors got too many sugar stamps, not enough coffee. Me being this old maybe they won't arrest me. One man said when he got his sugar stamps, he put one in this coffee, didn't make it one bit sweeter. We went to school at a one room school house. One teacher taught primer through eight grades, usually around 60 kids. No play ground equipment. I made our first basketball goal. My sister taught school. Her pay was $40.00 a month. She walked 5 miles a day. We finally got hot lunches in the winter time, teacher cooked on wood stove for heat. Most of the time lunch was soup. School had kerosene lamps. We went to church with wagon and mules. My father had bought 40 acres of land and built a house out of green lumber. Thats where we lived. When the lumber seasoned out there were cracks in the floor a bout 1/2" wide. We could count the chickens under the floor through the cracks. We could see if there were any eggs in the hen nest. Some of the smaller mosquitoes could get through those cracks. Before I was married my older brother (Wash) slept in the attic. When it came a bl owing snow were would wake up with snow on our bed. We did a lot of our cultivation with one mule and a double shovel. Called a double shovel because it ha d 2 plows. With that contraption we could plow 1/2 row at a time. Now, our farmers are plowing g 12 rows at one time. 24 times as much as we plowed. I bought a new cultivator that would pl ow 1 whole row with 2 mules. About that time we could buy a coke for 5 cents, a hamburger for 10 cents. A pair of overalls for 79 cents, a pair of shoes for 98 cents, a new Model A Ford for 250.00$. fut who had that much money? I chopped cotton for 7 1/2 cents per hr. Finall y I got a raise to 10 cents an hour. In 1937 We bought 120 acres of land in woods for 183.00$. Borrowed part of the money. Some People would say I would like to have 40 acres in the hills, but would be afraid they would give me 80 acres. That was how cheap land was. Taxes were about 35 cents an acres. A man that lived close to me tried to give a sow and 8 pigs away. He didn't need them, he had plenty of meat. He didn't want to feed them, he couldn't sell them on the market. In 1932 President Roosevelt create d a job called three C.C.C. Civilivation Conservation Cooperation for needy families. There were several camps in Arkansas. I joined and went to Blue Mountain Arkansas. We worked on road s and in woods. In woods we cut trees that wasn't any good to give the good trees more room. My pay was $30.00 a month. They sent my family $25.00, which left me $5.00 month. The tree C's furnished a place to live, our clothes and our Dr. bills and food. Each camp was made up of about 200 men and boys I was 18 years old. Alma Hazlewood and I got married Dec. 4, 1935. I was already living with my mother and father. My father was terminally ill. When we got married I had $15.00. After I bought a wedding ring for $6.00. Next day Alma put out a big was hing, with tub and rub board, pumped the water with a picker pump. I pulled cotton. Picking cotton you pulled the cotton out of the boles. Pulling cotton you pulled the matured bolls an d cotton. I pulled 600 lbs. for $.25 hundred lbs. Went home stuck my thumbs under my overal l suspenders and said honey I made $1.50 today. Some people would say I would like to have 40 acres in the hills, but would be afraid they would give me 80 acres. That was cheap land, taxes was about $.35 on 40 acres. When Clifford our first baby was born, The doctor came to our house. After the baby was born, I asked the doctor how much do I owe you. Arthur I usua lly charge $15.00 since this is your first baby give me $12.50.[ftw.hazlewood.FTW]
